

## **ALDEMAN & Associates LLC Presents**

### **Gangs and How They End Up in Your Neighborhood**

This one-day training is open to all sworn Law Enforcement Officers, Correction Officers, Prosecutors, Detectives, and Intelligence Analysts. Elevate your investigative skills with this exclusive training.

We are witnessing a concerning trend of increased gang activity infiltrating suburban neighborhoods across the nation. This poses significant challenges for law enforcement agencies, particularly in smaller towns where resources may be limited. To address this pressing issue, we are pleased to announce a comprehensive training session focused on Gang Awareness and Management.

#### **Course Overview:**

**Current Overview of Gangs Across America:** Understanding the scope and prevalence of gang activity nationwide.

**Gang Migration: The Reasons Gangs End Up in Your Town:** Exploring the factors contributing to the spread of gangs into suburban areas.

**Gang Identification and Indicators:** Recognizing signs of gang presence and activity within communities.

**Small Town Police and Staffing / Investigations / Detective Units:** Strategies for effectively allocating resources and conducting investigations in smaller police departments.

**Gang Graffiti: Interpretation and Importance:** Deciphering gang graffiti and its significance for law enforcement.

**Dealing with Street Gangs:** Lessons Learned: Case studies and best practices for addressing street gang-related issues.

**Safety for Officers and Preventative Measures:** Ensuring the safety of law enforcement personnel and implementing proactive measures to mitigate risks.

**Proactive vs. Reactive Approaches:** Strategies for proactive engagement with gang-related issues rather than merely reacting to incidents.

**Information Gathering and Confidential Informants:** Techniques for gathering intelligence and cultivating confidential informants within communities.

**Community Policing and Engagement:** Building strong community relationships and fostering collaboration to combat gang activity.

This training session is designed to equip participants with the knowledge and tools necessary to effectively address the challenges posed by gang activity in suburban areas. We encourage all relevant personnel to attend and actively participate in this important initiative.
